

# 2023

## COMPANY PROFILE

Did you know that you are liable for prosecution should you use a non-registered serviceman &/or service company to maintain your fire equipment?

**DO NOT EXPOSE  
YOURSELF!**

**“WE OFFER OUR CLIENTS A ONE STOP SHOP TO ALL ASPECTS OF THEIR FIRE RISK SOLUTIONS.”**

**Firehub** was established in 2009 as MvH Fire, in November 2012 we did the transfer to Firehub due to changes in shareholding.

Our Main workshop and offices are located in Krugersdorp Gauteng, however with our equipped service vehicles we work all over the country.

Our core business activities include the maintenance and supply of Fire Fighting Equipment as set out in the South African National Standard 1475, the services we offer include but are not limited to:

#### **FIRE FIGHTING EQUIPMENT SERVICES**

The servicing of Fire Extinguishers, both handheld and wheeled units (DCP, CO<sub>2</sub>, Foam etc.), Hose Reels, and Hydrants to SABS standards.

#### **SUPPLY AND INSTALLATIONS**

The Supply of all types of Fire Fighting Equipment, most commonly, the different types of Extinguishers, Hose Reel units, Hydrants, Safety Signage, and just about anything from Protective Clothing to First aid kits, even Danger tape.

- **Sprinkler System Installations and Maintenance**
- **Fire Detection and Suppression systems, both maintenance and Installations**
- **Fire Consultancy Services**

## **MAINTENANCE AND SUPPLY OF FIRE EQUIPMENT AND RELATED SERVICES**

**We are proud to say that we have a large client base of which 90% have been with us since inception in 2009, this says allot about our service offering and competitive pricing. Some of our clients include:**

- **Excellerate**
- **Mogale City Local Municipality**
- **Proline Auto body**
- **The Shoprite Group**
- **Guvon Hotels**
- **Becker Mining**
- **Residentia Foundation**
- **Moolman Group**

**You are welcome to contact any of these clients; contact details are available on request.**
